Attorney Docket No.

DECISION ON REQUEST FOR
REVOCATION OF POWER
OF ATTORNEY

This is a decision on the Request to Revoke the attorney or agent of record under 37 C.F.R. § 1.36(a), filed October 29, 2007.

The request is **NOT APPROVED**.

A power of attorney, pursuant to § 1.32(b), may be revoked at any stage in the proceeding of a case by an applicant for patent (§ 1.41(b)) or an assignee of the entire interest of the applicant under § 3.71(b). Fewer than all of the applicants (or by fewer than the assignee of the entire interest of the applicant) may only revoke the power of attorney upon a showing of sufficient cause, and payment of the petition fee set forth § 1.17(h). For the assignee to take action a proper statement under § 3.73(b) is required.

The request cannot be approved because the statement under 3.73(b) is not proper in that the chain of title from the inventors to the current assignee of record is inconsistent with that of record. It is also noted that the copy of assignment from Felton International, Inc. to Pulse NeedleFree Systems, Inc. was not submitted as indicated in the request.

All future communications from the Office will continue to be directed to the above-listed address until otherwise notified by applicant.

Telephone inquiries concerning this decision should be directed to the undersigned at 571-272-7253.
